

ATTENTION ALL EXHIBITORS

SAFETY FIRST

SAFETY IS VERY IMPORTANT FOR EVERYONE WORKING IN THE EXHIBIT HALL

- To ensure safety from electrical shocks, falling items and damage to materials, please **DO NOT** attach items/equipment to the drapes or metal framework provided for your booth.
- Standing on chairs, tables and other rental furniture is **PROHIBITED**. This furniture is not engineered to support your standing weight.
- Use a ladder, not a chair. Pack one with your freight.
- Dalton Convention Center nor AFA cannot be responsible for injuries, falls or damage caused by the improper use of this equipment. If assistance is needed in assembling your booth, please come by our Exhibitor Service Center for assistance.
- Get help with big jobs. Too many things at once can be a load of trouble.
- Before walking under something, look up.
- Never step backwards.....Always turn back and look.
- Be aware of forklifts and scooters. The driver might not see you.
- Watch your step in crowded aisles.
- For your safety, stay out of trucks and trailers.
- Dispose of waste articles properly.

THANK YOU FOR YOUR COOPERATION.
