**FLOORTEK ADDS NETWORKING EVENT**  
*FLOORTEK FEATURES FUTURE CONNECTIONS*

*August 23, 2019 Dalton, GA*—Future Connections is an exciting opportunity for businesses in the floorcovering industry to position themselves as viable employers for the next generation of workers. This free aspirational new program at FloorTek is dedicated to helping to build tomorrow's generation.

Future Connections benefits both employers and current prospective employees, as well as students looking for windows into their future careers by creating a unique space for **interviewing** as well as constructive criticism and career advancement. **Several colleges have partnered with FloorTek to bring their students to the event, including Bellhaven University, Chattanooga State Community College, Cleveland State Community College, Dalton State/Wright School of Business, and Georgia Northwestern Technical College.**

New connections are always opportunities for growth, so start thinking about your future connections. Future Connections will take place on September 11 (day 2 of FloorTek) from 1-4 PM.

HR providers who wish to participate in Future Connections please contact Stephanie Manis at 706-278-4101 or email [manis@americanfloor.org](mailto:manis@americanfloor.org) or register online at [www.floor-tek.com/futureconnections.com](http://www.floor-tek.com/futureconnections.com)
